Bach's Christmas Oratorio by NOVOFLOT at RADIALSYSTEM V, stage Design GRAFT

The Berliner Opera Company Novoflot will perform the scenic play of Johann Sebastian Bachs Christmas Oratorio from 16.-27. of December in the RADIALSYSTEM V.

In several rooms and levels - throughout the premises of the building - the Oratorio will be performed in a unique version for Singers, Actors, two Choirs, Experimentalensemble and Orchestra. GRAFT is responsible for the stage design. Also taking part will be internationally acclaimed berliner ensembles and artists such as the free jazz formation Bauer 4, the solist ensemble Kaleidoskop, the Knabenchor Berlin and the Karl-Forster-Chor.

Wed 16. December 19 o'clock premiere

Fri 18. Sat 19. Sun 20. Wed 23. Fri 25. Sat 26. December 19 o'clock

Sun 27. December 16 o'clock

We invite you to the press conference (in german) by Novoflot, which Graft will attend.

Friday, 11. December am 10:30 o'clock

RADIALSYSTEM V

Holzmarktstraße 33

10243 Berlin

INDEX: Award 2009 Exhibition presenting all INDEX: Award Finalists in Singapore

After the official opening in Copenhagen, the exhibition made its first international stop in Korea and will now be on view through 9. December in Singapore. The month-long run at VivoCity in the HarbourFront precinct will also feature INDEX: Award 2009 finalist The Pink Project by Brad Pitt and Graft.

The exhibition then returns to Denmark in early 2010 for viewing in sites near its inception - at Ishøj in January and Hillerød in February. Further international venues are to follow.
